Project Manager

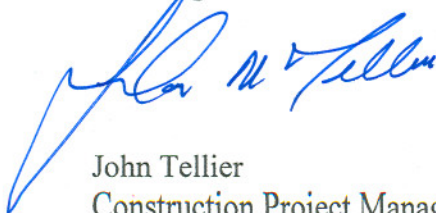

Dear Roland:

TRB Development Group has completed numerous stores for CVS at sites in Massachusetts, New Hampshire, and Rhode Island. Among the recent Massachusetts completions we have worked on together are Danvers, Stoneham, East Boston, and Norwell. You are currently working on Brighton, MA and a downtown Boston location for us.

My overall feeling is that TRB is very conscientious and understands CVS's sense of urgency to open stores on time and on budget. When we do a project with you, I know I can count on your team to follow through professionally. Whether it is Bill Bevelaqua, Brian Boisvert, or Dale Taschereau serving as superintendent, you are accessible to me, communicate frequently to answer any questions I have, report progress on schedule, and always make sure each subcontractor's scope of work is completed as contracted.

It is always a positive experience dealing with TRB Development Group, and I look forward to our next project together.

Best Regards,

John Tellier  
Construction Project Manager
